- ✓ Entity established with GSTIN and active IEC registration
- ✓ AD Code registered on ICEGATE at primary destination port
- ✓ Supplier factory verified through video audit and sample testing
- ✓ Favorable payment terms locked under formal international sales contract

CHAPTER 1

Legal Entity, Banking & Registrations

Step-by-step setup for a new import business in India: 1. Register legal entity: LLP or Private Limited recommended for import liability insulation. 2. Open Current Account with an Authorised Dealer (AD) Category-1 Bank. 3. Obtain GSTIN and apply online for Importer-Exporter Code (IEC) on DGFT. 4. Register AD Code with the primary Customs port of clearance via ICEGATE.

CHAPTER 2

Supplier Due Diligence & Secure Payment Terms

Protecting your capital during international procurement: - Verify business license, export certificates, and factory address. - Never pay 100% advance. Negotiate 30% advance and 70% against copy of Bill of Lading. - Appoint a third-party inspection agency (e.g., SGS, Bureau Veritas) for pre-shipment quality audits.
