OFFICIAL EXIM HANDBOOK

DGFT & Compliance Basics

Essential Policies, Notifications, and Compliance for Indian Importers

---

Mentor: Krishnakumar

30 Years Logistics, Customs & EXIM Documentation Experience

Comprehensive Edition

46 Pages • Digital PDF

Table of Contents & Curriculum

1 Importer-Exporter Code (IEC) & DGFT Governance

2 Product Import Categories (Free, Restricted, Prohibited)

3 Mandatory Non-Tariff Clearances (BIS, EPR & LMPC)

🎯 Mentor's Action Checklist & Operational Rules

- ✓ Annual electronic validation of IEC completed on DGFT portal
- ✓ BIS Compulsory Registration verified for applicable electronic goods
- ✓ CPCB EPR certificate active and linked to ICEGATE single window
- ✓ LMPC retail labeling declarations verified prior to dispatch from supplier

Confidential & Proprietary Training Material

CHAPTER 1

Importer-Exporter Code (IEC) & DGFT Governance

The Directorate General of Foreign Trade (DGFT), under the Ministry of Commerce & Industry, administers the Foreign Trade Policy (FTP) of India. The Importer-Exporter Code (IEC) is a 10-digit mandatory registration linked directly with the entity's PAN and GSTIN.

CHAPTER 2

Product Import Categories (Free, Restricted, Prohibited)

ITC (HS) classification divides all import commodities into three policy schedules: - Free: Can be imported without any license, subject to standard domestic statutory standards. - Restricted: Requires an Import Authorisation/License issued by the DGFT Headquarters or Zonal Committee. - Prohibited: Completely banned from import (e.g. specified wild animals, certain hazardous wastes).

CHAPTER 3

Mandatory Non-Tariff Clearances (BIS, EPR & LMPC)

Modern Indian Customs clearance requires strict compliance with partner government agencies (PGAs): - BIS (Bureau of Indian Standards): Compulsory Registration Scheme (CRS) for electronic goods, IT hardware, steel, and toys. - EPR (Extended Producer Responsibility): Mandatory registration with Central Pollution Control Board (CPCB) for packaging plastic, e-waste, and batteries. - Legal Metrology (LMPC): Mandatory registration under Packaged Commodities Rules 2011 for goods sold in retail packaging.
