CHAPTER 1

Incoterms 2020: Risk and Cost Boundaries

The International Chamber of Commerce (ICC) Incoterms rules define the responsibilities of buyers and sellers for the delivery of goods under sales contracts: - FOB (Free on Board): Seller delivers goods on board the vessel nominated by buyer. Buyer pays ocean freight, marine insurance, and import clearance. - CIF (Cost, Insurance & Freight): Seller arranges and pays ocean freight and minimum marine insurance to named destination port. Risk transfers to buyer once goods are on board at origin port! - DAP (Delivered at Place): Seller bears all risks and costs to bring goods to buyer premises, excluding import Customs clearance and duties.

CHAPTER 2
